EXPERIENCE

MOUNTAINSEED, Atlanta, GA

May 2025-December 2025

Data Operations Intern

- Spearheaded the design and enhancement of Amazon QuickSight dashboards tracking third-party contractor data extraction timeliness, ingestion velocity, and volume, resulting in a 25% improvement in on-time submissions and increased executive visibility into vendor performance metrics.
- Automated Excel-based appraisal record processing using Python scripts, enabling scalable cleanup of 1,500+ monthly files, standardizing property type classification and date formatting across multiple datasets.
- Deliver actionable insights to the head analyst and technical leadership, influencing onboarding criteria and data ingestion standards.

TAXCONNEX, Alpharetta, GA

June 2024-January 2025

Data Entry Intern

- Digitized 200+ paper-based client records into a new tax database, enhancing accessibility and reducing monthly reporting time by 30%.
- Partnered with the accounting team to reconcile historical discrepancies, enhancing data integrity for downstream sales tax filing automation and compliance accuracy.
- Adhered to client confidentiality and privacy guidelines, ensuring compliance with industry standards.

INVOLVEMENT EXPERIENCE

Community Services Assistant, Brown Hall, Athens, GA

September 2023-Present

- Serve as a student leader supporting housing operations and engagement for 200+ residents.
- Balance 12+ weekly work hours while maintaining strong academic performance and managing internship responsibilities.

MSBA Ambassador, University of Georgia, Athens, GA

August 2025-Present

- Engage with prospective students through campus tours, virtual chats, and info sessions, helping increase program yield and applicant confidence.
- Represent the program at tabling events and Preview Days, collaborating with admissions to deliver impactful outreach experiences.

EXTRACURRICULARS

ELITE Leadership Conference Participant, Atlanta, GA

August 2025

- Selected for a competitive consulting simulation; collaborated in a team of two to evaluate policy evidence related to IT general controls, access provisioning, and change management for a fictional insurance client.
- Delivered client-ready recommendations to mock executives, focusing on risk prioritization and control improvements to enhance security and compliance.
